The 22nd Malaysian Banking Summit *“Reimagining Banking in a Digital and Disruptive World”*

The future of banking is increasingly driven by digital disruption, new technologies and digitization. Game changing geopolitical events, geo-economic and geo-technological trends are changing the global banking landscape entering a new era of disruptive change brought about by the new 3T's in banking – Technology, Talent and Transformation. The World Economic Forum in Davos has predicted the Fourth Industrial Revolution impacting on global business. How can the banking industry prepare for this Industry 4.0 with disruptive technology emerging faster than ever before? The emergence and growth of Fintech and innovations and disruptive technologies will enhance competition in the banking industry.

The 22nd Malaysian Banking Summit will discuss how to navigate these uncertain times. The Banking Industry is a strong barometer of the wider business community. Malaysia's economy continues to perform well with GDP growth expected to be over 4.8% this year. This will underpin the resilience of the economy and propel growth of key sectors.

Last year was a record breaking year for Malaysian banks with 3 of the largest local banks – Maybank, CIMB and Public Bank posting record figures last year in terms of assets and growth in non interest income. Cost cutting measures have also contributed to record earnings.

The Malaysian Banking Summit is an annual high-level Conference to feel the pulse of the Banking Sector – the lifeblood of the nation's business community. The Summit also enable participants to discuss and evaluate key challenges, trends and opportunities in the Banking & Finance Industry. The Summit provides useful insights into the thinking of the Captains of the Banking Industry, as well as provide a timely platform for exchange of ideas, industry updates and knowledge for banking and finance professionals.

The 22nd Malaysian Banking Summit will provide participants with timely updates and leadership conversations with leading players in the industry, including experts from The World Bank to focus on banking innovation and innovative leadership.
